Colorado Choice Transitions (CCT) Program Reference Manual

Colorado Choice Transitions Program (CCT)

Program Overview

Colorado Choice Transitions (CCT), part of the federal Money Follows the Person Rebalancing Demonstration, is a five-year grant program. The primary goal is facilitating the transition of Medicaid members from nursing and other long-term care (LTC) facilities to the community using home and community based (HCBS) services and supports. Services are intended to promote independence, improve the transition process, and support individuals in the community. Participants of the CCT program will have access to qualified waiver services as well as demonstration services. They will be enrolled in the program for up to 365 days after which time they will enroll into one of five HCBS waivers so long as they remain Medicaid eligible. Days in a hospital or LTC facility for a period of less than 30 days during the enrollment period will not count towards the 365 days. Qualified services are HCBS waiver services that will continue once the CCT program has ended if the member continues to be eligible for HCBS. Demonstration services are enhanced services provided during an individual's enrollment in the demonstration program post-transition and end on the last day of CCT enrollment. The grant funding will also be used to streamline and improve the HCBS systems in Colorado.

Medicaid members participating in CCT must meet long-term care Medicaid eligibility requirements (which include functional and financial eligibility); reside in a long-term care facility for a period of no less than ninety days (90) not counting days for rehabilitation; have been Medicaid eligible for one day; and be willing to move to qualified housing as defined in federal statute. To participate, members must meet financial, medical, and program criteria to access services through the CCT program and be willing to receive services in their homes or communities. A member who receives services through the CCT program is also eligible for all Medicaid State Plan services. When a member chooses to receive services under a waiver and the CCT program, the services must be provided by certified Medicaid providers.

The CCT program will complement the Elderly, Blind, and Disabled Waiver, Persons with Brain Injury Waiver, Community Mental Health Supports Waiver, Persons with Developmental Disabilities Wavier, and Supported Living Services Waiver. The populations that will be transitioned through the program include: elderly adults aged 65 years or older residing in Medicaid nursing facilities; adults aged 18-64 with physical disabilities residing in Medicaid nursing facilities; adults aged 18 and older with developmental disabilities residing in Intermediate Care Facilities (ICFs) and Medicaid nursing facilities; and adults 65 years and older and individuals under 22 residing in institutions for mental disease (IMDs).

Note: The Department of Health Care Policy and Financing (the Department) periodically modifies billing information. Therefore, the information in this manual is subject to change, and the manual is updated as new billing information is implemented.

Policy Guidance for Services

The Services and Supports Desk Reference offers essential information on CCT demonstration services to providers, members, and stakeholders. The information includes service definitions, minimum provider qualifications, service rates, and other pertinent information. The Department may periodically modify policy guidance.
Providers are notified of changes in policy guidance in the monthly HCBS Provider Bulletin and other Department communications.

Provider Participation

Before claims can be accepted for payment of goods and services provided to eligible members, the provider of goods and services must be enrolled in the Colorado Medical Assistance program and assigned a provider number.

Prior Authorization Requests (PARs) for CCT

All CCT services require prior approval before they can be reimbursed by the Colorado Medical Assistance Program. Case management agencies complete the Prior Authorization Request for CCT according to instructions provided by the Department.

The case management agencies responsibilities include, but are not limited to:

1. Assessing needs;
2. Determining CCT program eligibility;
3. Service planning and authorization;
4. Care coordination;
5. Risk mitigation;
6. Service monitoring;
7. Monitoring the health, welfare and safety of the member;
8. Promotion of member's self-advocacy; and
9. Coordination of the member's transition from the CCT program to one of the existing HCBS waivers at the end of the member's participation on the CCT program, as long as the member remains eligible.

Approval of prior authorization does not guarantee Colorado Medical Assistance Program payment and does not serve as a timely filing waiver. Prior authorization only assures that the approved service is a medical necessity or assists members with community living and is considered a benefit of the Colorado Medical Assistance Program. All claims, including those for prior authorized services, must meet eligibility and claim submission requirements (e.g., timely filing, provider information completed appropriately, required attachments included, etc.) before payment can be made.

Prior approvals must be completed thoroughly and accurately. If an error is noted on an approved request, it should be brought to the attention of the member's case manager and the Department for corrections. Procedure codes, quantities, etc., may be changed or entered by the member's case manager.

The authorizing agent or case management agency is responsible for timely submission and distribution of copies of approvals to agencies and providers contracted to provide services.

PAR Submission

All CCT PAR forms are fillable electronically and are located in the Provider Services Forms section of the Department's Website. The use of the forms is strongly encouraged due to the complexity of the calculations.

Send all New, Continued Stay Review (CSR), and Revised PARs for CCT to Xerox State Healthcare:

Case managers may also use the PAR form maintained by PPL to create the entire PAR for a member receiving CDASS as a part of the CCT program. In addition, case managers will need to fax the final PAR approval letter to PPL before attendant timesheets will be paid.

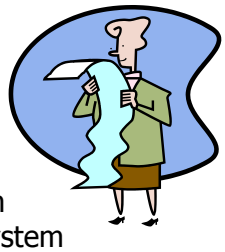
Procedure/HCPCS Codes Overview

The Department uses procedure codes that are approved by the Centers for Medicare & Medicaid Services (CMS). The codes are used to submit claims for services provided to Colorado Medical Assistance Program members. The procedure codes represent services that may be provided by enrolled certified Colorado Medical Assistance Program providers.



The Healthcare Common Procedural Coding System (HCPCS) is divided into two principal subsystems, referred to as level I and level II of the HCPCS. Level I of the HCPCS is comprised of CPT (Current Procedural Terminology), a numeric coding system maintained by the American Medical Association (AMA). The CPT is a uniform coding system consisting of descriptive terms and identifying codes that are used primarily to identify medical services and procedures furnished by physicians and other health care professionals. Level II of the HCPCS is a standardized coding system that is used primarily to identify products, supplies, and services not

included in the CPT codes. These include ambulance services and durable medical equipment, prosthetics, orthotics, and supplies (DMEPOS) when used outside a physician's office. Level II codes are also referred to as alpha-numeric codes because they consist of a single alphabetical letter followed by 4 numeric digits. CPT codes are identified using 5 numeric digits.

Late Bill Override Date

For electronic claims, a delay reason code must be selected and a date must be noted in the "Claim Notes/LBOD" field.

Valid Delay Reason Codes

1 Proof of Eligibility Unknown or Unavailable

3 Authorization Delays

7 Third Party Processing Delay

8 Delay in Eligibility Determination

9 Original Claim Rejected or Denied Due to a Reason Unrelated to the Billing Limitation Rules

11 Other

The Late Bill Override Date (LBOD) allows providers to document compliance with timely filing requirements when the initial timely filing period has expired. Colorado Medical Assistance Program providers have 120 days from the date of service to submit their claim. For information on the 60-day resubmission rule for denied/rejected claims, please see the General Provider Information manual in the Provider Services Billing Manuals section.

Making false statements about timely filing compliance is a misrepresentation and falsification that, upon conviction, makes the individual who prepares the claim and the enrolled provider subject to fine and imprisonment under state and/or federal law.

Billing Instruction Detail	Instructions
LBOD Completion Requirements	• Electronic claim formats provide specific fields for documenting the LBOD. • Supporting documentation must be kept on file for 6 years. • For paper claims, follow the instructions appropriate for the claim form you are using. ➢ *UB-04*: Occurrence code 53 and the date are required in FL 31-34. ➢ *CMS 1500*: Indicate "LBOD" and the date in box 19 – Additional Claim Information. ➢ *2006 ADA Dental*: Indicate "LBOD" and the date in box 35 - Remarks
Adjusting Paid Claims	If the initial timely filing period has expired and a previously submitted claim that was filed within the original Colorado Medical Assistance Program timely filing period or the allowed 60 day follow-up period was paid and now needs to be adjusted, resulting in additional payment to the provider. **Adjust the claim within 60 days** of the claim payment. Retain all documents that prove compliance with timely filing requirements.

Billing Instruction Detail	Instructions
	Note: There is no time limit for providers to adjust paid claims that would result in repayment to the Colorado Medical Assistance Program. **LBOD** = the run date of the Colorado Medical Assistance Program Provider Claim Report showing the payment.
Denied Paper Claims	If the initial timely filing period has expired and a previously submitted paper claim that was filed within the original Colorado Medical Assistance Program timely filing period or the allowed 60 day follow-up period was denied. **Correct the claim errors and refile within 60 days** of the claim denial or rejection. Retain all documents that prove compliance with timely filing requirements. **LBOD** = the run date of the Colorado Medical Assistance Program Provider Claim Report showing the denial.
Returned Paper Claims	A previously submitted paper claim that was filed within the original Colorado Medical Assistance Program timely filing period or the allowed 60 day follow-up period was returned for additional information. **Correct the claim errors and re-file within 60 days** of the date stamped on the returned claim. Retain a copy of the returned claim that shows the receipt or return date stamped by the fiscal agent. **LBOD** = the stamped fiscal agent date on the returned claim.
Rejected Electronic Claims	An electronic claim that was previously entered within the original Colorado Medical Assistance Program timely filing period or the allowed 60 day follow-up period was rejected and information needed to submit the claim was not available to refile at the time of the rejection. **Correct claim errors and refile within 60 days** of the rejection. Maintain a printed copy of the rejection notice that identifies the claim and date of rejection. **LBOD** = the date shown on the claim rejection report.
Denied/Rejected Due to Member Eligibility	An electronic eligibility verification response processed during the original Colorado Medical Assistance Program timely filing period states that the individual was not eligible but you were subsequently able to verify eligibility. Read also instructions for retroactive eligibility. **File the claim within 60 days** of the date of the rejected eligibility verification response. Retain a printed copy of the rejection notice that identifies the member and date of eligibility rejection. **LBOD** = the date shown on the eligibility rejection report.

Billing Instruction Detail	Instructions
Retroactive Member Eligibility	The claim is for services provided to an individual whose Colorado Medical Assistance Program eligibility was backdated or made retroactive. File the claim within 120 days of the date that the individual's eligibility information appeared on state eligibility files. Obtain and maintain a letter or form from the county departments of social services that: • Identifies the patient by name • States that eligibility was backdated or retroactive • Identifies the date that eligibility was added to the state eligibility system. **LBOD** = the date shown on the county letter that eligibility was added to or first appeared on the state eligibility system.
Delayed Notification of Eligibility	The provider was unable to determine that the patient had Colorado Medical Assistance Program coverage until after the timely filing period expired. **File the claim within 60 days** of the date of notification that the individual had Colorado Medical Assistance Program coverage. Retain correspondence, phone logs, or a signed Delayed Eligibility Certification form (see Certification & Request for Timely Filing Extension in the Provider Services Forms section) that identifies the member, indicates the effort made to identify eligibility, and shows the date of eligibility notification. • Claims must be filed within 365 days of the date of service. No exceptions are allowed. • This extension is available only if the provider had no way of knowing that the individual had Colorado Medical Assistance Program coverage. • Providers who render services in a hospital or nursing facility are expected to get benefit coverage information from the institution. • The extension does not give additional time to obtain Colorado Medical Assistance Program billing information. • If the provider has previously submitted claims for the member, it is improper to claim that eligibility notification was delayed. **LBOD** = the date the provider was advised the individual had Colorado Medical Assistance Program benefits.
Electronic Medicare Crossover Claims Delayed Notification of Eligibility	An electronic claim is being submitted for Medicare crossover benefits within 120 days of the date of Medicare processing/payment. (Note: On the paper claim form (only), the Medicare SPR/ERA date field documents crossover timely filing and completion of the LBOD is not required.)

Billing Instruction Detail	Instructions
	File the claim within 120 days of the Medicare processing/payment date shown on the SPR/ERA. Maintain the original SPR/ERA on file. **LBOD** = the Medicare processing date shown on the SPR/ERA. The provider was unable to determine that the patient had Colorado Medical Assistance Program coverage until after the timely filing period expired. **File the claim within 60 days** of the date of notification that the individual had Colorado Medical Assistance Program coverage. Retain correspondence, phone logs, or a signed Delayed Eligibility Certification form (see Certification & Request for Timely Filing Extension in the Provider Services Forms section) that identifies the member, indicates the effort made to identify eligibility, and shows the date of eligibility notification. • Claims must be filed within 365 days of the date of service. No exceptions are allowed. • This extension is available only if the provider had no way of knowing that the individual had Colorado Medical Assistance Program coverage. • Providers who render services in a hospital or nursing facility are expected to get benefit coverage information from the institution. • The extension does not give additional time to obtain Colorado Medical Assistance Program billing information. • If the provider has previously submitted claims for the member, it is improper to claim that eligibility notification was delayed. **LBOD** = the date the provider was advised the individual had Colorado Medical Assistance Program benefits.
Medicare Denied Services Electronic Medicare Crossover Claims	The claim is for Medicare denied services (Medicare non-benefit services, benefits exhausted services, or the member does not have Medicare coverage) being submitted within 60 days of the date of Medicare processing/denial. *Note: This becomes a regular Colorado Medical Assistance Program claim, not a Medicare crossover claim.* **File the claim within 60 days** of the Medicare processing date shown on the SPR/ERA. Attach a copy of the SPR/ERA if submitting a paper claim and maintain the original SPR/ERA on file. **LBOD** = the Medicare processing date shown on the SPR/ERA. An electronic claim is being submitted for Medicare crossover benefits within 120 days of the date of Medicare processing/payment. (Note: On the paper claim form (only), the Medicare SPR/ERA date field documents crossover timely filing and completion of the LBOD is not required.) **File the claim within 120 days** of the Medicare processing/payment date shown on the SPR/ERA. Maintain the original SPR/ERA on file.

Claims must be filed within 365 days of the date of service. No exceptions are allowed. If the claim is nearing the 365-day limit and the commercial insurance company has not completed processing, file the claim, receive a denial or rejection, and continue filing in compliance with the 60-day rule until insurance processing information is available. **LBOD** = the date commercial insurance paid or denied.
Correspondence LBOD Authorization	The claim is being submitted in accordance with instructions (authorization) from the Colorado Medical Assistance Program for a 60 day filing extension for a specific member, claim, services, or circumstances. **File the claim within 60 days** of the date on the authorization letter. Retain the authorization letter. **LBOD** = the date on the authorization letter.
Member Changes Providers during Obstetrical Care	The claim is for obstetrical care where the patient transferred to another provider for continuation of OB care. The prenatal visits must be billed using individual visit codes but the service dates are outside the initial timely filing period. **File the claim within 60 days** of the last OB visit.
